I hereby certify the above information is correct, that I qualify for support under the Tuition Support Program at the University of Michigan as set forth in SPG 201.69 and that I have declared (above) any other sources from which tuition support could be obtained. Where a tuition support payment is paid in advance, and in the event I do not successfully complete the course (as defined in section II.A.) or do not provide the required documentation in a timely manner (as set forth in section II.G.), I authorize the Payroll Department to deduct the full amount of the tuition advance from my future paycheck(s). Deductions may be taken over a maximum six-month period, and no additional Tuition Advances will be paid until all deductions have been processed. I further understand that if I leave the University before successfully completing the course, or before providing the required grade report and paid bill or receipt to my supervisor, or before reimbursing all amounts owing under this policy, I am obligated to repay the full amount of the advance to the University immediately. If I have not done so before my last day at work, I authorize the University Payroll Office to deduct the full amount owing under this policy from any remaining regularly scheduled paychecks to the extent permissible by law and understand that I remain liable for any balance.

**NOTE: Tuition reimbursements for Graduate Studies are subject to taxation. Please see SPG 201.69-0 for current amounts.**
